microVENT™ Utilityvent

Emergency Automatic Resuscitator Kit

- Automatic resuscitation.
- Minimal product training needed.
- Easy to use in the dark or with poor access.
- Pre-set for adult casualties for ease of use in Industrial conditions.
- Suitable for use in non-breathable atmosphere.

microVENT™ Utilityvent Kit
Part No. 670-0340-01

The microVENT Utilityvent kit is designed for use in an emergency when breathing has stopped, or when breathing assistance is needed. At the heart of the kit is the microVENT Utility Resuscitator. This is an oxygen powered resuscitator that is pre-set to breathe for the adult casualty - 600ml breaths, 12 times a minute. When in use, if the casualty inhales, the Utilityvent supplies a synchronised breath of 100% oxygen. The brass safety oxygen regulator fits to pin-index medical oxygen cylinders. The microVENT case is reinforced and padded to hold and protect the equipment. It is fitted with carrying handles and a shoulder strap. The resuscitator can be swiftly carried to the casualty.

microVENT™ Utilityvent Resuscitator

Part No. 670-0339-00

A hand held, light weight Resuscitator with compact dimensions, the microVENT™ Utilityvent has ergonomic styling to give easy operation with controls in a natural position. It is constructed with a tough reinforced plastic casing to withstand use in difficult situations.

The Utilityvent's ergonomic styling gives easy operation of the resuscitator. The patient valve features 22/15 mm connections to take standard airway devices and face masks. The oxygen supply hose is two metres long and made of resilient reinforced plastics to retain flexibility in cold conditions and is permanently attached to the regulator, ready for immediate use.

- Oxygen gauge is luminous to aid use in low light.
- microVENT is used by emergency services around the world.

Medical Oxygen Pin Index Regulator

Part No. 55B 678-0001-10

The microVENT™ Mariner Kit includes two Meditech Oxygen Therapy Regulators with a Pin Index Inlet connector and a BS Medical Oxygen Schrader outlet
