

4 Way Flow Selector and Frame

BS Schrader Probe on 2M Supply Hose

- **No Calibration required EVER**
- **Lightweight construction**
- **Available with International Fittings**
- **7 Year Warranty**
- **7 Year service Interval**
- **Mass Casualty Device**

Excellent performance and robustness, coupled with a very lightweight design. Manufactured from a strong aluminium frame with folding carry handle, extending hooks for hanging on the side of a stretcher and plastic feet on the base. Supplied with 2M supply hose to connect to 4 bar oxygen source (longer hose length available upon request)

For use in all Hospital and Emergency Environments, the 4 Way Flow Selector is designed to be plugged into Medical Oxygen Wall Outlets.

The Meditech 4 Way Flow Selector, has been designed to deliver precision flow rates, without the need for any calibration.
