

## microVENT™ INDUSTRIAL RESUSCITATOR

A hand-held, lightweight resuscitator with compact dimensions, the MicroVENT™ Industrial Resuscitator has ergonomic styling to give easy operation with controls in a natural position. It is constructed with a tough reinforced plastic casing to withstand use in difficult situations.

The MicroVENT™ patient valve features 22/15mm connections to take standard airway devices and face masks. The oxygen supply hose is 2 metres long and made of resilient reinforced plastics to retain flexibility in cold conditions. A British Standard (BS) medical oxygen supply probe enables use with all BS standard portable and piped oxygen supplies. Other international hose fittings are also available.

- **Lightweight.**
- **Manual trigger.**
- **Easy to use.**
- **Compact.**
- **Suitable for adults only**
- **Pneumatic Oxygen powered manual Resuscitator.**

# SPECIFICATION

Patient population range: .....	Adult Only
